Detailed description

The K40B teacher desk is designed for everyday use. It offers a large work surface and a practical storage box with a lock.

The desk's frame comprises 50x30mm flat oval profiles, ensuring high durability and rigidity. The entire metal structure is powder-coated in a neutral shade of RAL 9006 (white aluminum). The profiles are finished with plastic glides without felt.

The worktop measures 130x65cm and is made of laminated chipboard with a 2mm ABS edge. The storage box and modesty panel are also made of laminated chipboard.

The desk is easy to maintain and easy to clean.

Maintenance

The metal surface and the worktop surface can be maintained with common cleaning agents, except aggressive cleaners, detergents, polishes, and products containing granules and sand. Do not expose the product to excessive moisture, running water, or temperatures above 90 °C.
