Detailed description

The versatile bench measuring 200 × 40 × 40 cm is ideal for locker rooms in schools, gyms, and sports facilities. Its durable construction and simple design make it perfect for busy areas.

The bench frame is made of solid steel profiles 30 × 30 mm and 25 × 20 mm, and it has a high-quality powder coating that can be customized according to requirements.

The seat is made of laminated chipboard 25 mm thick with a light grey finish, equipped with a durable 2 mm ABS edge.

The bench is delivered disassembled, including complete assembly material for easy installation.

Maintenance

Surfaces can be maintained with common cleaning agents, with the exception of aggressive cleaners, detergents, polishes, and products containing granules and sand. Do not expose the chair to excessive moisture or running water or to temperatures above 90 °C.
